- Made in Germany

It's all about convenience with a Dahle Desk-side Shredder. Whether you're an executive, a secretary, or someone looking for added security at home, this machine is small enough to accommodate any workspace yet powerful enough to get the job done. Dahle's smallest shredder is perfect for destroying bank statements, credit applications and financial records.

Dahle's 40104 is built with an 8 3/4" feed opening to accommodate both letter and legal size paper with ease. It can be conveniently placed at arms length so you never have to leave your desk to properly dispose of confidential documents. Yet large enough to handle 8 gallons of shredded waste.

This shredder features Automatic On/Off operation that uses an electronic sensor to turn the machine on. All you have to do is position your document in the feed opening and the shredder will take care of the rest. Bag Full Auto Off is another convenient function that notifies you when the shred bag is full and needs to

be changed. It's these state-of-the-art features that saves you time and takes the burden out of shredding your documents.

Safety and energy conservation continues to be a top priority at Dahle. Each shredder comes equipped with the innovative SmartPower Energy Management System. This multi-stage system reduces power consumption after ten minutes of sitting idle (sleep mode), and completely powers down after an additional 20 minutes of inactivity. Dahle SmartPower will appeal to those interested in conserving energy as well as reducing electrical costs.

Dahle's shredders are made in Germany using the latest technology and finest materials. The end result is a quality machine and peace of mind in knowing your Dahle shredder will provide many years of trouble free operation.

Dahle's Desktop Shredders have an 8 3/4" feed opening to accommodate both letter and legal size paper with ease.

The easy-to-use command dial controls all of the shredder's functions such as power up, reverse, and continuous run.
